

# NORRE DAROY

## FRONT-END DEVELOPER

<http://www.norredaroy.com> | [norrej.daroy@gmail.com](mailto:norrej.daroy@gmail.com) | +1 905-244-6041

I am a developer with a passion for building clean maintainable code and who values lifelong learning. I am excited to bring my versatile experience in building accessible web applications, streamlining operations and managing data to a company that cares about using technology to improve people's lives while having some fun along the way.

## SKILLS

- React, JSX, Firebase
- JavaScript ES6, jQuery
- NodeJS, TypeScript, C++
- HTML5, CSS3, Sass
- Git/Github, Version control
- Website accessibility requirements
- Project scope management
- Collaboration
- Responsive design
- Critical thinking

## DEVELOPMENT PROJECTS

### Book Club Reads

React | JSX | Firebase | REST API | Sass | HTML5

- A book reading list tracker. Search for books to add on your reading list, track your goals, post a comment, add or remove a book from your list. Saves data onto firebase.

### Gimme Your Word

JavaScript | Sass | HTML5 | Responsive

- Submit words from a display of random letters before the volcano erupts (1 minute) and save the dinosaurs from extinction. Displays score and the best/longest word you submitted.

## RELEVANT EXPERIENCE

### Software Engineer - Training Oct 2019 - present ORD Solutions Inc, Kitchener, ON

- Implement enhancement to 3D printing slicer code (C++/Perl) by adding support material.
- Collaboration on git discussion forums understanding how slicer flow works

### Visiting Researcher 2018 - present InfoClin Analytics, Toronto, ON

- Investigate solutions that are sustainable and scalable to help transform sustainable universal health care system.

### Technical Mentor Sept 2019 Canada Learning Code, Toronto, ON

- Mentor a class of approx 20 students to learn the fundamentals of HTML, CSS, and Responsive web design

### Technical Mentor Sept 2019 Juno College of Technology, Toronto, ON

- Mentor a class of approx 40 students to learn the fundamentals of HTML, CSS, and JavaScript.

## EDUCATIONAL HISTORY

Jul-Sep 2019 **Web Development Immersive Certificate** Juno College of Technology, Toronto, ON

Apr-May 2019 **Accelerated JavaScript** HackerYou College of Technology, Toronto, ON

Dec 2018-Mar 2019 **Advance Web Development** HackerYou College of Technology, Toronto, ON

2011-2015 **Bachelor of Health Sciences (Honours) with Distinction** Ontario Tech University, Oshawa, ON

2008-2010 **Bachelor of Science in Computer Science** University of the Philippines, Philippines
